7FWM+FVF, Purok Earth, Centro Occidental, Buhi - Polangui Rd, Polangui, 4506 Albay
Bachelor of Science in Computer Engineering
2019 – 2023
Cum Laude

EXPERIENCE

Hive Group Inc. | Intern (Fullstack Developer Trainee)   **June 2022 - August 2022**

- A 4-person team is creating a web app for user registration through 3rd-party platforms, enabling both social media and username/password logins. User data is stored in the app's database. Users can connect with friends on Facebook and contacts on LinkedIn. The app retrieves user info from 3rd-party accounts and offers messaging via at least two social media providers.

CERTIFICATION

- Coursera - Data Analytics
- Certificate of Training – Java Programming (NC III)
- Certificate of Training – Cobol Programming (NC IV)
- Ubiquiti Broadband Wireless Specialist
